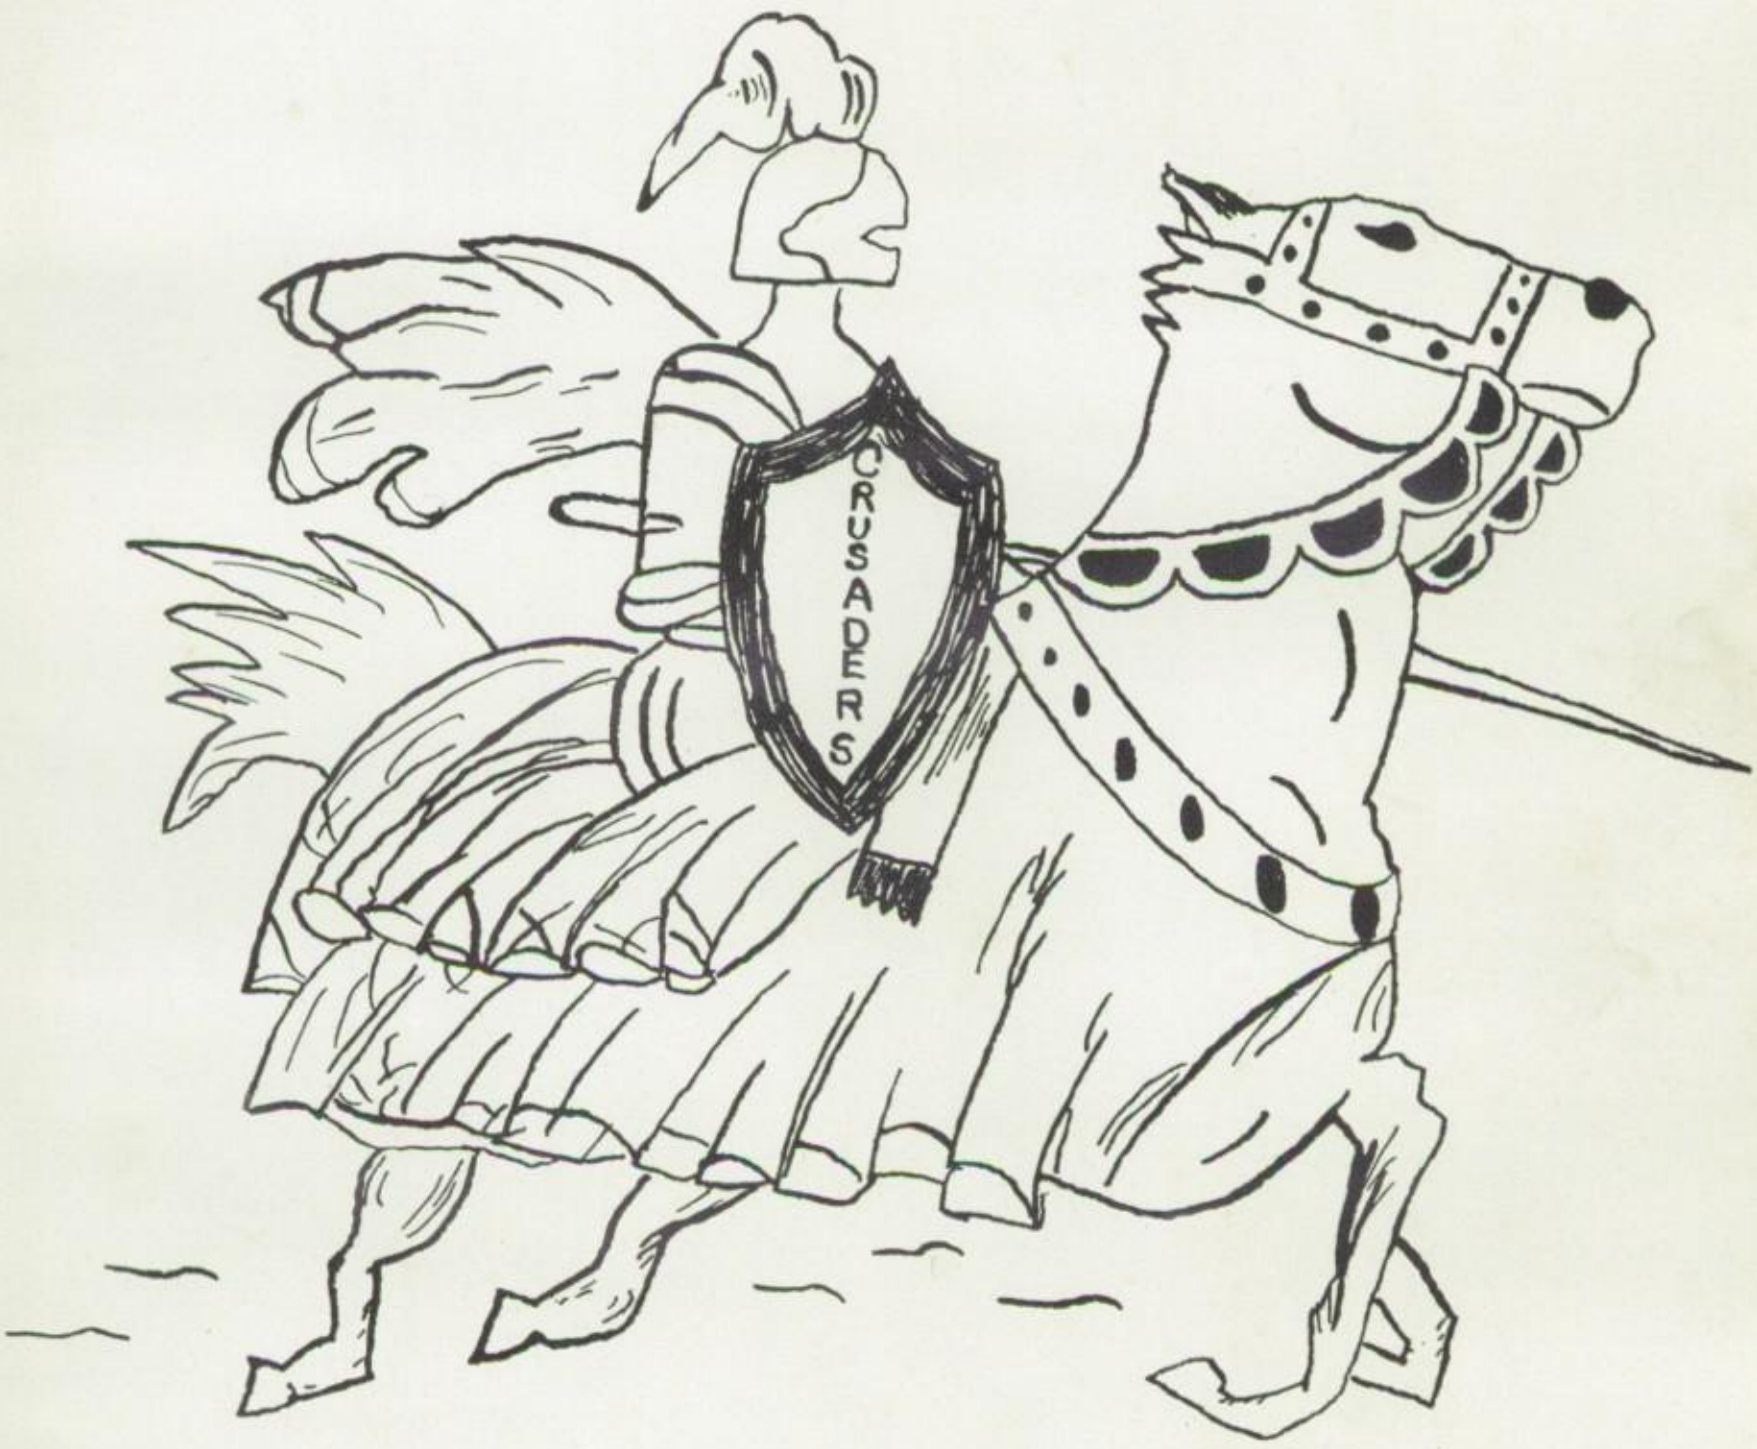
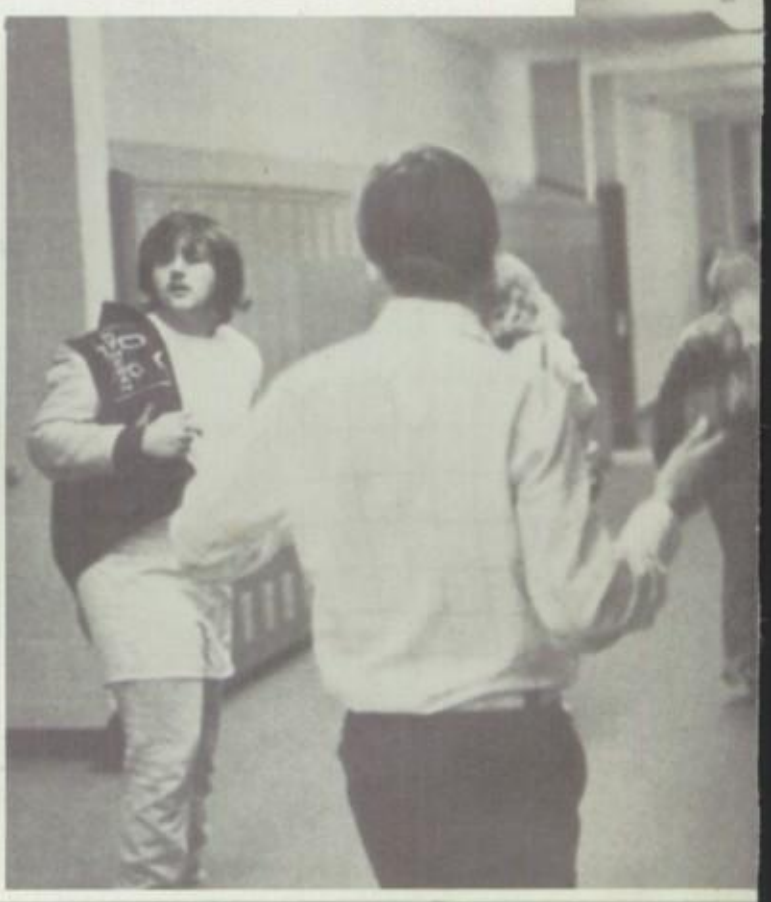
LUTHERAN HIGH SCHOOL

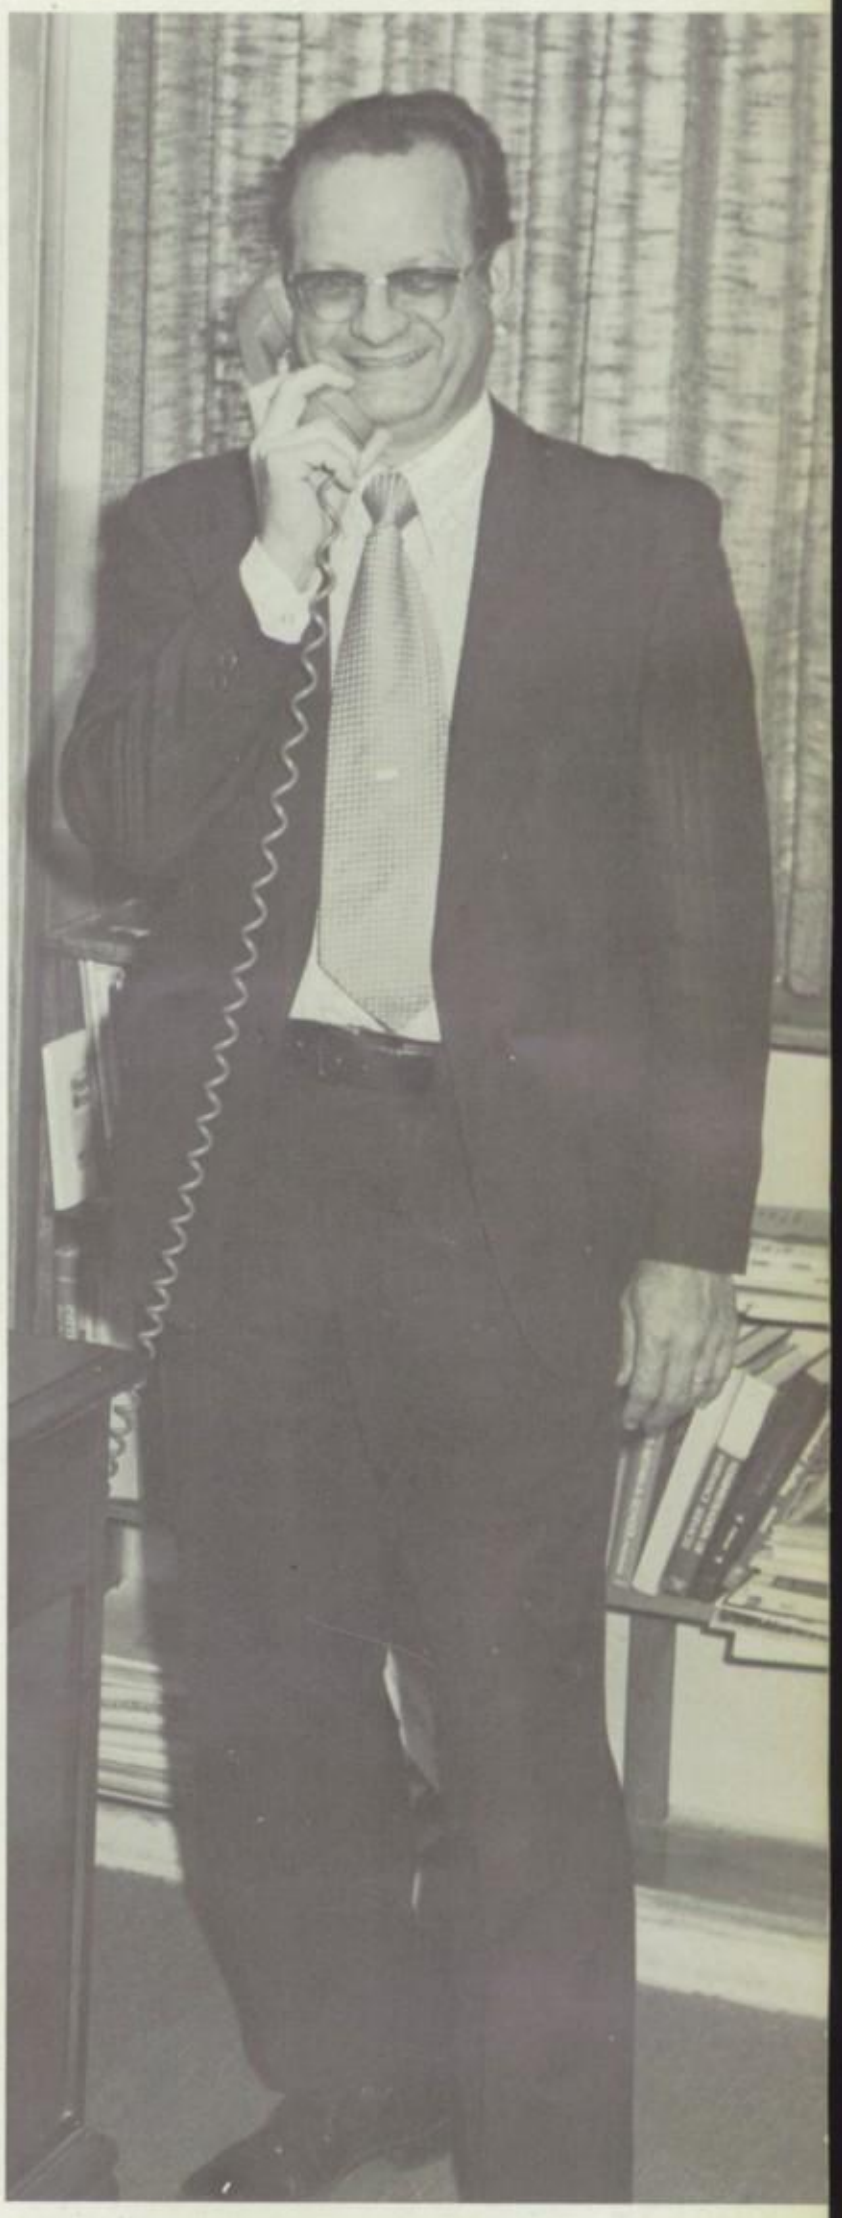


ROCKFORD, ILLINOIS

REMEMBER WHEN. . .



MR. HENTSCHER WAS HERE



JESUS, SAVIOR, PILOT ME

over life's tempestuous sea;

unknown waves before me roll,

hiding rock and treacherous shoal.

Chart and compass come form Thee:

Jesus Savior pilot me.

These words which we, the Yearbook staff, extend to Mr. Robert Hentscher as he leaves our school and goes to another location. Mr. Hentscher has done countless works for all of us here at Lutheran High. One student explained, "he was always there with a helping hand when anyone was in trouble. He had an open heart full of Christ's love, that he shared with all."

He has shown us true love and devotion in his administration. His efforts through the years of service has helped develope and strengthen the continuous growth of Luthem High. We are now in our fourth year at the location of our new school building. The faculty, parents, and students will always be grateful for his work in reaching this goal. We extend our sincerest wishes to Mr. Hentscher and his family as they move to Tennessee. May God grant them continuous grace and blessings in their new home.

We also say a prayer of thanks to God for giving to us a man as Mr. Hentscher who guided us through the trying years of development. He will always be remembered for his devotion and love which he spread each and every day.

We dedicate this book as our way of saying thank you and God bless you and your work.

"Days Remembered"

Reflecting on the ten years of Lutheran secondary education in Rockford, I can remember the many meetings held, from the calling of Robert Hentscher at a meeting in the gym at Immanuel, Belvidere, to his departure to Chattenooga, Tennessee.

I recall the days at St. Paul Lutheran School and the three flights of stairs at Court Street Methodist Education Building, the enthusiastic people, the tremendous crowds at our first state district basketball tournament, teaching boys' and girls' physical education classes, the bonfires at the "site," and finally the wonderful new building on Alpine.

All of these things happened because the Lord was working through people who wanted a Christ-centered education for their children.

From the first two full time teachers, Mr. Henkel and Mr. Knee, we now have nine full-time teachers. While at Court Street, we used Mid-State Business College for some vocational classes; now we have students enrolled at the Vocational Center with its broader curriculum.

Extra Curricular activities have expanded from the original ones like Choir, Basketball, Baseball, Cheerleading, Pep Club, Newspaper, and Yearbook. Today there is a Band, four girls' sports, three more boys' sports, a Varsity Club, Key Club, and Drama Club, plus special singing groups similar to the first one, the 8 + 1.

As you read and look through the pages of this annual, which recalls the events of the tenth anniversary year, remember that all of the glory belongs to God, He has blest us and will continue to bless us by giving us the courage and dedication needed to bring about greater things in the future.

. . . The Choir, Practiced, . . . And Practiced, . . . And Practiced!!

The Lutheran High School Choir, under the direction of Mr. Henry Elling, consisted of 35 voices chosen by Mr. Elling in the fall. Meeting every day during mods 7, 8, and 9, they reviewed the fundamentals of proper singing, and they also practiced the sacred and secular music presented during the mid-winter Christmas Concert and the spring Fine Arts Festival. The Choir also sang for our own chapel services and local church services, especially on High School Sundays, and they also participated in the Workshop sponsored by Concordia Teachers College of River Forest.

Directed by Mr. Henry Elling, the Ensemble for 1974-1975 performed wherever and whenever a smaller musical group was required. Mr. Elling had tryouts for the group in September and tirelessly rehearsed the chosen 12 until each was ably prepared to sing whenever called. The Ensemble, consisting of six ladies and six gentlemen, sang at various times during the year, including the Variety Show at Homecoming, the Christmas Concert, the Solo and Ensemble Festival, various services in the local churches, and the Fine Arts Concert in spring.

Representing Rockford Lutheran's student body was the primary function of our Student Council. This governing body also functioned as a service organization, assisting the faculty to develop policy regarding student activities and school life. Acting as representatives to their respective areas was another responsibility of each member. Promoting fellowship among the student body was a goal for which the Council strove this past year, organizing many dances, the Winter Carnival, and Fun Night.

The Pep Club this year played a great part in the enthusiasm of our ball games. During the football and basketball seasons they supplied the students with pep buses to all of the out-of-town games. Besides just supporting the team Pep Club also held a few activities for school. These include: dances, parties, bake sales, and hot dog days.

GAA added a few new dimensions this year. Extra-mural sports such as Volleyball and Basketball were played with both teams doing very well throughout the year.

Sold Hot Dogs?

President

Advisor
Mr. Siekmann

The Varsity Club of Lutheran High serves the school in various ways, the least of which (yet one of the most delicious) is by selling hot food to the students at regular intervals during the year. These students who have earned a major letter in one or more of the sports offered at LHS use their profits from this to purchase needed equipment for the school, especially in the area of athletics. The letters used for the basketball scoreboard and a section of fence by the baseball diamond were two of the projects this past year. To encourage this service, Mr. Siekmann, the Club's Advisor, will undoubtedly continue PIZZA -- HOT DOGS -- HAMBURGERS!!!

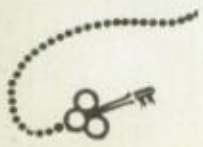
President Kevin Lichtfuss

As the high school's service organization, the Key Club, sponsored by the local Kiwanis organization, was especially busy this past year. Meeting every Tuesday morning in the library to discuss immediate business, hear guest lecturers, and decide financial projects, the club members served the school as ushers at concerts and gatherings, as the organizers of Taco Day, and as those students who could be relied upon to fulfill requests BEFORE the requests were made. (Especially in the areas of carrying boxes of books, rearranging chairs, and collecting our weekly chapel offerings.) The Club also served our community by aiding the children's home financially and helping the Kiwanis organization with their projects --- each time consuming, yet greatly rewarding.



KEY CLUB INTERNATIONAL

. . . we printed our own

Coat Of Arms

L.H.S. COAT OF ARMS staff was kept very busy. The COAT OF ARMS newspaper was put out six times during the school year. Two types of newspapers were issued this year: the printed newspaper which was printed professional for holiday seasons and special occasions and the mimeographed newspaper, which was typed and printed at Lutheran High. Writing, proofreading, typing, layout, and distribution kept the staff occupied as they co-ordinated the COAT OF ARMS.

The Cavalier staff of Lutheran High School endeavored this past year to record the happenings and events of LHS for the student body, a record intended to communicate the goal of LHS -- to prepare young men and women for Christian futures. This, then, was the goal of the CAVALIER '75 -- to record this preparation.
